The Awakening song (Suprabhatam: Singable Translation)

Eashwaramba's resplendent son
It's the start of a bright new day
Time to rise, time to shine, Lord divine
Time to lead us along life's way

Awake Lord of Puttaparthi
Awake Lord over all mankind
Awake, O Lord of Compassion
That the world good fortune may find

On chitravathi's peaceful shore stands our heart's own mansion
We yearn to serve you, and we are longing for your darshan
Morning's begun, and o'er the world spreads the radiant sun
Sri Sathya Sai Bhagavan, may your Glory dawn

We love to sing out Your sweet Name with blissful emotion
Then we taste the sweet nectar which comes of true devotion
Come shower drops of blessings on us we pray, Gracious One
Sri Sathya Sai Bhagavan, may your Glory dawn

We love to sing out your sweet name with blissful emotion
Then we taste the sweet nextar which comes of true devotion
Come shower drops of blessings on us we pray, Gracious One
Sri Sathya Sai Bhagavan, may your Glory dawn

We've brought to You colorful flowers with fragrance so sweet
Our dear Guru, our object now is to worship Your Feet
Your devotees are gathered into the place where we meet
Sri Sathya Sai Bhagavan, may your Glory dawn

Among the seekers of the world, knowledge that You're here grew
From far and near, people are coming who long to see You
They are reciting vedic mantras, knowing their value
Sri Sathya Sai Bhagavan, may your Glory dawn

Throughout the Earth, people of worth are learning of Your fame
They know Your Glory, and the sweet story of why You came
Seekers of Truth from every land now are singing Your Name
Sri Sathya Sai Bhagavan, may your Glory dawn

Women demure as Mother Sita now sing in rapture
Like lotus blooms drawn to the Light, their hearts are soft and pure
With garlands of sweet flowers they will adorn Your picture

All praise to You, Lord of the worlds
Swami Sathya Sai, our Lord
You protect devotees who cling to You
Show Your Mercy to us who sing to You
Knowing You are God in human form
All praise to You, Lord of the worlds
With captivating Grace and Loveliness
You do everything to bring us happiness
You're aware of all through infinite consciousness
You are Master of every living thing
For devotees You're wish-fulfilling
Helping us when we are in distress
All praise to You, Lord of the worlds

Swami, there is truly no one else but You
Master of creation, You are adored
People of all nations are striving toward
Realization of our true reward
Our unity with You, Lord of the worlds
You are the Word of God shining pure and bright
The Embodiment of all that is true and right

Tat Savitur Varenyam
Bhargo Devasya Dheemahi
Dheeyo Yo Nah Prachodayaat**

We meditate on That Glory of Divine Light, Whose Effulgence Illuminates the entire creation, embodied in the three states - Earth, Ether and Heaven. That Supreme Light, May It remove our ignorance and enlighten our intellect.

Sai Gayatri

**Om Sayiswaraya Vidmahe
Sathyadevaya Dheemahi
Thannahsarvah Prachodaayath**

Meaning:

That Sai Whom we know
Let us meditate upon that Sathya Deva (Who is Truth itself)
Who kindles all our knowledge.

Asathoma (Prayer After Meditation)

**Asatho Maa Sad Gamaya
Thamaso Maa Jyothir Gamaya
Mrithyor Maa Amritam Gamaya
Om..Shanti..Shanti..Shanti**

From Untruth Lead us to Truth
From Darkness lead us to Light
From Death Lead Us to Immortality
Om Peace... Peace... Peace be unto us!

Meaning:

From the transient world of decay lead me to the everlasting world of Bliss. Let the effulgence of Thy grace illumine my being with Truth. Save me from this cycle of birth and death and destroy the cravings of the mind which produce the seeds of birth.

Loka Samastha (Prayer for World Peace)

Lokaa Samastha Sukhino Bhavanthu (x3)

Let all beings in all the worlds be happy always. Peace to the world.

Brahmarpanam (Prayer before Meals)

**Brahmaarpanam Brahma Havir
Brahmaagnau Brahmanaa Hutam
Brahmaiva Tena Gantavyam
Brahma Karma Samaadhinaha**

Meaning: This is 24th verse from the 4th chapter of Bhagavad Geetha] The act of offering is Brahman. The offering itself is Brahman. The offering is done by Brahman in the sacred fire which is Brahman. He alone attains Brahman who, in all actions, is fully absorbed in Brahman. (As we chant this prayer we are offering the different types of food to Brahman.

**Aham Vaishvaanaro Bhutva
Praaninaam Dehamaashritha
Praanaapaana Samaa Yuktaha
Pachaamyannam Chatur Vidam**

Meaning: This is 14th verse from the 15th chapter of Bhagavad Geetha] This *sloka* is a sort of acknowledgement and assurance to us from Brahman. "I am Vaishnavara, existing as fire God in the bodies of living beings. Being associated with ingoing (*prana*) and outgoing (*apaana*) life breaths, I will digest all the four different types of food (that which we bite and chew; that which we masticate with the tongue; those which we gulp; that which we swallow) and purify them."

Vibhuti Prayer

**Paramaam Pavitraam Baba Vibhuthim
Paramaam Vichitraam Leela Vibhuthim
Paramaatha Ishtaatha Moksha Pradaatam
Baba Vibhuthim Idamashrayaami**

Meaning:

Sacred, Holy and Supreme is Baba's Vibhuti.
Pouring forth in endless stream this play of Vibhuti.
So auspicious is Its might It grants liberation.
Baba's Vibhuti, Its Power protects me

Ten Principles

1. Treat as sacred the land in which you were born. Be patriotic, but do not criticize other nations or put others down, not even in your thoughts.

2. Respect all religions equally.

3. Recognise the brotherhood of man, treat all as brothers and sisters; love all.

4. Keep your house and surroundings clean, for, this will promote hygiene and health.

5. Practice charity but do not encourage beggars by giving them money.

Provide food, clothing, shelter and help them in other ways (do not encourage laziness).

6. Never give or take a bribe, never give in to corruption.

7. Curb envy and jealousy, expand your vision and outlook, treat all equally regardless of caste or creed.

8. Be self-reliant. You may be wealthy and having servants to do your bidding, but service to society must be done by yourself.

9. Cultivate love for God and fear for sin.

10. Never go against the law of the land. Follow it diligently both in word and spirit. Be an exemplary citizen.

These ten directives were given by Baba in a discourse that He gave on the 21st of November, 1985 in Prasanthi Nilayam.

INDIAN BHAJANS
(Devotional Songs)

Sing aloud the glory of God and charge the atmosphere with Divine Adoration; the clouds will pour the sanctity through rain on the fields; the crops will feed on it and sanctify, fortify the food; the food will induce Divine Urges in man. This is the chain of progress. This is the reason why I insist on group singing of the Names of the Lord.

Yeh dil bhi hai tera yeh jaan hai teri tumhi se hum ko pyaar**

Having received your love, having erased all our sorrows, this heart of ours wherever we are opens up and says that you one in millions and you are everywhere. You are present in flowers, You are present in the stars and the moon. Wherever we looked we have found only Your Love. Even if we sacrificed our lives it would not be enough reciprocation to all the love you are showering on us. (Song by Ajneesh)

That saved a wretch like me

How precious did that Grace appear
The hour I first believed
When we've been there ten thousand years
Bright shining as the sun
We've no less days to sing God's praise
Than when we first begun.

I have strayed and been lost and have hurt You so much,
But I want to tell You I love You
How many times have I left You, yet You have loved me forever?

**140B. I sing a song of the saints of God, (This song must be sung in unison.)
Patient and brave and true,
who toiled and fought and lived and died for the Lord they loved and knew.
And one was a doctor, and one was a queen, and one was a shepherdess on the
green:
They were all of them saints of God, and I mean,
God helping, to be one too.**

**They loved their Lord so dear, so dear, and His love made them strong
and they followed the right, for Jesus's sake, the whole of their good lives long
And one was a soldier, and one was a priest, and one was slain by a fierce wil beast,
and there's not any reason - no not in the least,
why I shouldn't be one too!**

**They lived not only in ages past, there are hundreds of thousands still
the world is bright with the joyous saints who love to do Jesus's will.
You can meet them in the school, or in lanes, or at sea, in church, or in
trains, or in shops, or at tea,
for the saints of God are just folk like me, and I mean to be one too.**

**141B. I sing a song, I sing a song, I sing a song of love to You
A song of love, a song of love, a song of love we sing to You
I sing a song, a song of love, a song of love I sing to You
The flowers that I bring are my songs for You
My songs of love will call to You
You know my heart just yearns for You,
You know my soul reaches out to You**

**142B. I walk a along a path, and I ask the question "Why?"
I strive to know the truth, I'm drawn to Bhagavaan Sathya Sai
I open my heart and a light begins to shine
I share this light with all and I know it is a Light divine
I sail a stormy sea, and I'm tossed by waves so high
Illusion is the sea; my body is the ship, not I
And when I see the Lord, He is brighter than the Sun
He showers me with love, and He softly says to me, "We're one."**

143B. I was born to love You, yes I know what I must do
I was born to love You and I do
Sai Ram, Sai Ram
O Your Name is all we need to chant
You were born because You love us, and I know You do
You were born to teach us what to do
May we live for You, yes, may we live for only You
Sai Ram, Sai Krishna, help us to
May we merge in You, yes, may we merge in only You
Sai Baba, Sai Baba, only You

144B. I will be thine my Lord forever thine my Lord
Though the sky and the earth should part

Calling me back to the home that I love
Calling, calling, calling me back to Your Heart

148B. If they say our eyes are beautiful, Lord
It's because, they are looking at You.
And when the whole world you know,
They'll feel the same way too
They can say, that we are all dreamers
Who've had a dream come true
And when they say our eyes are beautiful, Lord
It's because, they are looking at You.
If they say our eyes are beautiful, Lord
It's because, they are looking at You.
And our eyes are just the windows
For our feelings to come through
And by far You are more beautiful
Than anyone, we ever knew
So when they say our eyes are beautiful, Lord
It's because they are looking at You.

149B. If you want your dream to be
Build it slowly and surely
Small beginnings, greater things
Heartfelt work grows purely
If you want to live life free
Take your time, go slowly
Do few things and do them well
Simple joys are Holy
Day by day, stone by stone
Build your secret slowly
Day by day, you'll grow too
You'll Heaven's Glory

150B. In all that I say, In all that I do
In all of my feelings and all of my thoughts too
To the indwelling Lord I surrender
To Sai Baba the Lord of Love
Sai Baba, Sathya Sai Baba

When I love all life, In all things I see
Your leela's Baba, playing with me
Lord of all, Take me, Shape me
All of me I give to Thee

**151B. In His eyes, compassion,
On His lips, sweet words,

Holding us gently in His hands.**

A lotus grows
The gift of Love
That Sai bestows
Here's a song I sing for You
It's only for You that I sing
For the voice I raise is the gift from You
And the words and the melody too
Works of Love I perform for You
It is only for You I perform
For the works I do is the gift for You
And the fruit of my labor is too
I can give my love to You
For Your love is the gift You gave me
And the flame that burns in the heart of hearts
Is the same flame that burns within me**

**154B. In parts of the world, He's known by other names
Some call Him Jehovah, Its still the same

- 171B. It only takes a little love to warm an aching heart
To lift a broken spirit, to take another's part
It only takes a little trust, a stranger to be, friend,
But oh, it makes a difference in the end.
It only takes a little love to smile a friendly smile,
To touch a grieving shoulder, to walk a second mile.
It only takes a little time, a kindness to extend,
But oh, it makes a difference in the end.
He taught us all about it, so many years ago,
For Love was always with Him wherever He would go.
He calls us now to follow, to take the time to care
Through all the gentle loving things we share.
Because it only takes a little love to calm another's fear,
To bear another's burden, to weep another's tear.
It only takes a little word to cheer a lonely friend,
But oh, it makes a difference in the end.
O, yes, it makes a world of difference in the end.

Find your heart, open up both your eyes
We can all know everything without ever asking why
It's in every one of us by and by
When your heart is full of love, it's a simple thing to do
Seek another heart and make it happy too
Joy we share with others is joy that's multiplied
It would be a perfect life if no one is left outside
Love is in every one of us to share with all
Cut ego out, stand up strong and tall
We all have so much to give without needing reasons why
Love's in every one of us, let's all try.

177B. **Jesus, Jesus, Son of the Lord**
Jesus, Jesus, dear Son of God
Let me call your Name, let man cry in shame
That the love You taught, my Lord, is lost again

Love was the reason why You gave Your life, my Lord
Love God and most of all, those who hate you, love them all
Love your neighbor as yourself was Your Call

178B. **Joyful, joyful Lord we adore Thee, God of Glory, Lord of Love;**
Hearts unfold like flowers before Thee, opening to the sun above.
Melt the clouds of sin and sadness; drive the dark of doubt away;
Giver of immortal gladness, fill us with the light of day.
Thou art giving and forgiving, ever blessing, ever blest;
Well-spring of the joy of living, ocean depth of happy rest.
Thou our Father, Christ our brother, all who live in love are Thine
Teach us how to love each other, lift us to the joy divine.

Baba Baba Sai Baba**

Sung to the tune of “Rama came, Krishna came”.

**183B. Krishna, my lord, I adore thee
Song of your flute flows so sweetly
Blissfully dancing for me
Until I surrender completely
Until I surrender completely**

**You're luring me away from every worldly joy
With such an ecstasy divine
With you I want to stay, enchanting, dark-skinned boy
Now that I know that you are mine
Now that I know that you are mine**

**Krishna, my lord, come to me
Dance through the forest of my heart
Make me your flute, breathe through me
That we may never be apart
That we may never be apart**

**Oh, make me straight and true along the path that you have shown
In all I think and do and say
Of hallowest bamboo, with no desires of my own
For any tune you wish to play
For any tune you wish to play**

**Krishna, my love, come to me
Dance through the forest of my heart
Make me your flute, breathe through me
That we may never be apart
That we may never be apart**

Yes, I love to say His name
And to think about Him here on Earth
And the reasons why He came
Just to contemplate His powers grand
His majesty and might
And His vow to lead this world of ours
From darkness into light

O, the sense of sweet security
To know He really cares
That He watches over us ceaselessly
And that He is everywhere
And the gentle glow of blissful peace
When you're feeling Him close by
Will bring a tear of happiness
For the love of Sathya Sai
Will bring a tear of happiness
For the love of Sathya Sai

429B. Who am I? Who's behind these eyes?
If I am not this body, who am I?
Who am I? Who's the one inside?
If I am not my mind, then who am I?
The message is: to look within ourselves, for
truth to be revealed. We ask, we search, we pray
Who am I? Who's the "I" inside? If I am not my feelings, who am I?
Behind each thought, there always is the "I";
if I am not my thoughts, than who am I?
The message is: to look within ourselves, for truth to be revealed.
We ask, "Where does this 'I' come from?" (3X)
Who am I? Who's behind my mind? If I am not my ego, who am I?
Beyond this "I", who projects the "I"?
The answer comes by asking, "Who am I?"
We seek the source from which the mind springs.
We ask, we search, we pray. (2X)
But then it's not by doing, but only by being, that
the final discovery is made.
I Am God, I am pure Light inside.
And I am Sathya Sai and He is I.
I am you, truly you are I.
And you and I and Sai are one inside.

- 430B. Who can still the stirring of a soul
That longs for something more
Only You my gentle Baba
Only You my Lord
Who replies to the voice I hear inside
That cries out 'who am I'
Only You all knowing Baba
Only You Sathya Sai
All my life I've spent in searching
Reaching for a star
My journey ends where I began it
Here within my heart
Who can turn illusion into truth
Desire to devotion
Only You my loving Baba
You're the only one
Only You my loving Baba
You and I are one.
- 431B. Who can understand the Glory of God?

You guide us, even carry us, until we reach the Goal

With a dome of hair upon His head?
His love extends as far as can be seen
Who is that man loving me?

Whoa, my Lord (2X)

Who is the man feeding the poor,

He says service to people in need
Will open our hearts to ecstasy.

Whoa, my Lord (2X)

Who is the man who dries our tears
And takes away all our fears?
Who is the man who always gives,
Teaching us by how he lives?

Without praising His Name, there's no feeling of bliss

Doing only good
To practice what we preach
Each and every day
Sathya, Dharma, Prema

Christian, Jew or Muslim
You'll get there just the same

Doing what is right
To Love our fellow man
And help in any way
Yellow, black or white
We're all equal in His sight
With our Lord's Divine Love

Prophets and sages
From beginning of time
Have come down to teach us
That we are all entwined
How blessed this human race
To be showered with His Grace
Because our Divine Lord
Is here on Earth today!

God

'Tis a gift to be simple, 'tis a gift to be free
A hollow flute I am in Thy hands
Although I don't see You, You are there

Awaken from the dream, awaken my child,
Believe in me-- I will never leave you
Bhagavaan, take our love; let it flow to Thee
Bring love of God here, and take with you divine Power
By devotion He knows me in Truth what and who I am
Dear Lord, sweet Lord, let us tell You how we feel
Every day and every night
For the beauty of the earth,
He's a River of Light, He's an Ocean of Love
Holy Holy Holy, Lord God Almighty
How many lives have I been through, seeking your Glory forever?
I am a circle, I am healing you
I am God and you are God
I am God, I am God, I am no different from God,
I am one with the heart of the Mother
I am That I Am, I am, I am not only just man, I am all,
I feel You in my heart and I know You are there
I have nothing to offer Thee for all things are Thine
I have travelled so far from home, I have left loved ones behind
I love the Lord and He loves me
I sing a song of the saints of God,
I sing a song, I sing a song, I sing a song of love to You
If they say our eyes are beautiful, Lord
If you want your dream to be
In my heart, O Lord, I see Your Face
In the altar in my home, I light a lamp for You
In the morning of my life
In the morning, in the morning, I call your name, O my Lord
In the Name of the Lord we sing praises
In the sound of silence is the voice of God
Into His Presence, would I enter now
Is there life on this earth, without You, O my Lord?
Koham Soham, Koham Soham
Kumbaya, my Lord, Kumbaya (3x)
Let the sun shine bright in the sky
Like the sunlight, like the moonlight, always, always I am with you,
Lord I am thine, I am thine, I am thine
Love is flowing like a river flowing out from you and me
Make your life a rose that blooms silently
May the blessings of God rest upon you
May the Light of the ages shine down on me
My Lord My Lord My Lord
Namuamidabutsu Namuamida
O Knowing Spirit within me
O Lord Almighty, Who is beyond time
O Lord, make the whole of my life
O Lord, purify me and make my heart worth stealing
O my Lord, You surely know I love You
Om Bhagavaan, Jai Bhagavaan, Sri Bhagavaan
Om Om Listen to the sound of Om
Only believe, Only believe
Precious Lord, precious Lord
Prema Swaroopa I am Divine Love

Shalom Aleichem Shalom Aleichem Sha*lom Shalom
Sing with love in your heart, sing to the Lord
So do Thou my Lord:
Soul of all souls, how can anyone fail,
Surrender to the Lord, to the Lord, surrender
Take one step toward Me, one step toward Me,
Take our hands and guide us, Lord
Talk with Him, glory Divine
The devotee should always remember the Master by name
The Lord gave the world such a beautiful sound
The Lord is deep within me
The one word to live by is Love
There is love within me, There is love within me,
There is only one religion, the religion of love
True, Knowing, Boundless God (3x)
We gather at your feet Lord
When dark clouds fill your skies, hiding sunshine from your eyes
Who am I? Who's behind these eyes?
Who is in my temple?
Without singing to the Lord, there's no peace or happiness
You are my Mother, You are my Father
You are the center of my life, my Lord, You are the pillar of my faith
You are the only one, my Lord, my God, my all
You walked into my life, O I thought that I was dreaming

Jesus

Amazing Grace, how sweet the sound
Come surrender and you'll see
Dearest Jesus, You are my friend
Jesus, Jesus, Son of the Lord
Joyful, joyful Lord we adore Thee, God of Glory, Lord of Love;
Let me be one with the Infinite Son, forever, forever, forever (3x)
Love is righteousness and truth
Mother Mary, Jesus Christ, we raise our hands in prayer
Only one life will soon be passed
Our Father said, my loving son, listen to what must be done
Our Jesus came and He is here again
Swami take my hand, Jesus take my hand, dear Lord take my hand
Tell us a story so we understand
The star is shining so bright
We sanctify the day the Lord is born within us

Listen to my Heart Voice - waiting for my calling

Love

Giving and forgiving
God of Love, God of Love, fill my heart with Your treasure.
It only takes a little love to warm an aching heart
It's in every one of us to be wise
Let your whole life be a song
Love all serve all, listen to the call of the Lord
Love is God, God is Love
Love is the Way, Love is the only Way
Love is You - Love is Me
Love, Love, Love, Love is God
Make a home of Love
May the love we're sharing spread its wings
Prema Swaroopa Prema Anand Prema Swaroopa Prema Bhagavaan
Scatter the seeds of love on dreary desert hearts,
Start the day with Love
Start the day with Love
Start the day with Love, fill the day with Love,
We are one in love forever shining like the sun
What wonderous love is this, O my soul, O my soul!
